Proven Clean. Modern Touch.

Reaches Every Part of Your Pool.
Where proven reliability meets next-gen convenience

The **Dolphin S Line** range delivers high-performance cleaning across pools of all shapes and sizes. Designed to reach every corner, it covers floors, walls, steps, and sun-ledges as shallow as 30 cm. With intelligent Maze navigation and superior filtration, the **S Line** provides consistent, reliable results all year round.

As you move through the range, added convenience features include multiple custom cleaning modes, app connectivity and interchangeable filters to adapt to changing pool conditions. The S 3000 offers powerful multi-layer filtration to capture all levels of dirt and debris, a pick-up mode and a storage caddy and cover.

Reliable, efficient and easy to use, the **Dolphin S Line** makes pool care effortless.
